Automatic policy benefits

Built-in Conversion Privilege

With this valuable policy benefit, you have the option to convert some or all of your term coverage to permanent insurance, which can accumulate cash values. This built-in conversion privilege guarantees permanent coverage at a later date, even if you become uninsurable.

Living Benefit ... Help When You Need It

Your policy automatically includes the Accelerated Benefit Rider that allows you to receive advance payment of the death benefit if you are diagnosed with a terminal illness or require permanent care in a nursing facility. (Not available in all states.)

Flexibility to provide the right coverage

Optional low-cost policy riders give you the flexibility to customize your protection against the risks of death, disability and critical illness for both you and your spouse – all under a single policy. You can also include term life coverage for your children.

- **Other Insured Term Rider** - Provides term life insurance on your spouse, a business partner or another person with an insurable interest.
- **Disability Waiver of Premium Benefit Rider** - Keeps your policy and riders in force by waiving the premiums if you become totally disabled.
- **Monthly Disability Income Rider** - Pays a monthly benefit if you become totally disabled due to a covered sickness or accident. Also available on the other insured.
- **Accident-Only Disability Income Rider** - Pays a monthly benefit if you become totally disabled due to an accident. Also available on the other insured.
- **Critical Illness Rider** - Pays a lump-sum benefit if the insured is diagnosed with a specified critical illness. With Assurity's state-of-the-art Critical Illness Rider, benefits paid do not decrease the death benefit amount but are paid in addition. Plus, after a first-ever diagnosis, you are still eligible for benefits from multiple critical illness categories if you continue paying premiums. Also available on the other insured.
- **Children's Term Insurance Rider** - Provides term coverage to age 25 for each child, plus the option to buy permanent life insurance on his or her 25th birthday (or when the rider terminates, if earlier.) Your children have guaranteed insurability, regardless of health when the permanent policy is purchased.
- **Return of Premium Rider** - A money-back option to refund some or all of the premiums paid into the policy if you live beyond the initial term period. (Available only on 20- and 30-year plans.)
